A breathtaking renovated and upgraded home situated on a secluded ridge near Priddis provides unparalleled Mountain and Partial City Views. This fully finished Walk-Out bungalow features nearly 3,875 square feet of finished living space.

The expansive Kitchen boasts a substantial Island and features light and inviting Quartz countertops, High-end Marvel cabinetry complete with extensive built ins, soft close cabinet doors and custom drawers.

Top-tier appliances, including the built-in Miele appliances, Wolf gas cooktop, and more, contribute to the culinary excellence of this dream kitchen. A butler's pantry and breathtaking views further enhance the kitchen's ambiance.

Adjoining the kitchen is a cozy great room, offering panoramic views of the majestic mountains. Ample space and a warm gas fireplace make this the ideal retreat for guests and family.

Venturing beyond the nook area leads to a spacious deck that stretches the length of the home, providing an ideal spot for socializing, hosting barbecues, or simply savoring the panoramic views.

The large primary bedroom features a spacious walk-in closet and a luxurious 5-piece ensuite bath with direct access to the expansive back deck.

Bedrooms 2 and 3 are generously sized and feature large, bright windows. They share a Jack and Jill bath with direct access from each room.

The main floor boasts 9-foot-high ceilings throughout.

The fully finished walk-out basement offers a warm gas fireplace and a spacious recreation room, providing ample space for a comfortable sitting area and an optional games and fitness area. A large guest bedroom with spacious closets and a 4-piece bath just outside of the guest bedroom.

For entertainment, the home features a large Home Theatre Room equipped with a projector, 120-inch screen, and top-quality audio and video equipment.

The rear concrete patio extends the entire length of the home, offering a private oasis complete with a saltwater Arctic Spa Hot Tub. This patio is sheltered by the upper deck, providing protection from inclement weather.

Your vehicles will also appreciate this home, which features a spacious, heated triple garage with floor drains and 11-foot-high ceilings.

The dogs will be delighted by the dedicated dog wash located within the garage.

Additionally, a detached single garage offers further parking or storage space.

The greenhouse enhances the gardening

experience. Equipped with a watering system and heat-sensing window controls, it fosters an optimal multi season growing environment.

Approximately 3 acres of fenced land is available for horses to roam and a shelter when necessary. The property also includes room for additional pastures.

A short walking trail winds through the wooded area.

Properties offering these exceptional features are uncommon, making this one a rare opportunity.
