Residential on 0.21 Acres

NONE, Langdon, Alberta

Weâ€™re proudly presenting this stunning home that boasts 4 spacious bedrooms, 3 walk-in closets, 3.5 luxurious bathrooms, a main floor office and over 2468ft2 above grade of beautifully designed living space. Situated on the best lot in the neighbourhood, a sprawling .21-acre pie shaped lot with SW exposure. Youâ€™ll love the triple garage with the extended driveway that can park up to a 27â€™ trailer. Thereâ€™s also alley access for this massive yard which can accommodate a 2nd garage if needed. The high-end appliances, LVP floors, walk through butler pantry, mudroom with locker stalls and updated fireplace with custom built-ins are all highlighted by the 9â€™ ceilings on the main floor. Upstairs youâ€™ll find a custom designed ensuite with a huge walk-in closet in the primary bedroom. Thereâ€™s also a sneaky mountain view from up here, and the convenience of having a laundry room off the walk-in closet is a luxury you donâ€™t even know you need. The bonus room is perfectly placed so your bedroom doesnâ€™t share any walls with the kidsâ€™ rooms. The basement is fully finished with a big bedroom, walk-in closet and another 4pc bathroom. The mechanical room is immaculate, like the rest of the home and youâ€™ll love the efficiency of the tankless hot water system. The gym equipment can be included with the home (see private remarks). The value here is unmistakable and weâ€™d invite you to come out to Langdon and see the bang you

get for your buck. Weâ€™d love to accommodate your showing needs at this spectacular home.
