Residential on 0.16 Acres

Smith., Grande Prairie, Alberta

This charming bungalow offers great value with a large heated double detached garage, spacious yard, and flexible layout with side entry to the basement. Inside, the main floor features an open living and dining area filled with natural light from large front windows, a functional kitchen with pantry, and main floor laundry hookups for added convenience. The laundry/sunroom space could easily be converted back into a third main-level bedroom if desired. Two well-sized bedrooms and a full 4-piece bathroom complete the upper level.

The side entrance leads either up to the kitchen area, or down to a basement that includes a third bedroom, 3-piece bathroom, cold storage, a utility/laundry room, and a large living space—perfect for extended family, guests, or future suite potential.

Step outside to enjoy the rear deck, covered storage area behind the garage, and a large yard with gated access to the rear alley. Recent updates include some newer windows, a newer roof, and a new garage heater.
