Residential on 13.01 Acres

East Industrial Park, Stettler, Alberta

Set in a picturesque area with deep roots in its agricultural past, this 13-acre property has been rezoned for industrial use, offering great potential for development. Located in a prime spot, this large piece of land is ready to be transformed, making it an opportunity for investors and developers alike.

Conversely, if someone prefers to embrace the existing farmhouse and outbuildings, the property remains viable as an acreage. There is a well and septic on the property, mature trees and plenty of space for the kids and animals to roam on the property or in the 5 acre natural park right next door. \*\*\*

BONUS\*\*\* New plumbing and a new roof will be done before possession.
