Residential on 0.07 Acres

Glenbrook, Calgary, Alberta

Welcome to Glenbrook â€” A Home With Heart (and Room to Grow).

Forget cookie-cutter. This isnâ€™t your run-of-the-mill starter home. With vaulted ceilings, thoughtful updates, and just the right amount of character, this is the kind of space where real life feels easier â€” and a whole lot more fun.

Inside, the main floor is bright, open, and made for multitasking families. The expanded flex room is your choose-your-own-adventure space: home office, playroom, family movie lounge, or the stage for kitchen dance parties while dinner simmers.

Upstairs, the primary suite is your grown-up getaway, complete with its own private balcony (hello, evening glass of wine). Two additional bedrooms and a renovated bathroom make the bedtime routine simple and stress-free. The lower level? Itâ€™s ready to flex with your life too â€” a 4th bedroom or home office, full bathroom, and laundry area keep things practical, while the sunken bonus space is brimming with potential: home gym, craft room, man cave, or workshop.

Step outside and the west-facing backyard seals the deal. Golden-hour evenings, space for kids (or dogs) to run wild, a veggie garden, or even that future garage youâ€™ve been dreaming about.

Tucked into Calgaryâ€™s beloved Glenbrook, this home keeps you connected to everything that matters â€” parks, schools, cafÃ©s, and the best of inner-city living â€” without giving

up the comfort of community.
If youâ€™re starting out, starting a family, or
just starting to picture what your best life looks
like, this is where it begins.
