Welcome to the quiet community of Eckville! This beautifully updated bi-level home sits on nearly 1 acre, backing onto the scenic Medicine River with no neighbours behind. The open-concept main floor features a fully renovated kitchen with quartz countertops, stainless steel appliances, and a convenient built-in coffee bar. The adjoining dining area has patio doors leading to the back deck overlooking the massive backyard. The bright living room is highlighted by a wood-burning fireplace with a charming rock surround and mantle and a large bay window that fills the space with natural light. A third full bathroom and the laundry/mechanical room completes the basement. Home is heated with a well-maintained hot water boiler system. Outside, the 28'™x32'™ quonset-style garage provides plenty of space for vehicles, storage, or a workshop, featuring power and a concrete floor.
