5 Bedroom, 3.00 Bathroom, 1,176 sqft

Residential on 0.29 Acres

NONE, Magrath, Alberta

This 5 bedroom 2.5 bathroom home has been thoughtfully renovated and features 3 bedrooms and 1.5 baths on the main level, plus 2 additional bedrooms and a full bathroom in the basement. The home was moved onto a new basement in 2023 and many updates were done at that time including new shingles, new water tank and furnace, and new basement windows. Recently the old popcorn ceilings have been replaced with beautiful flat ceilings, the walls have received a fresh coat of paint, and the basement went from undeveloped to amazing! The basement is completely new just awaiting some of the final touches like some window trim and casing around the beams. The storage room is outfitted with electrical outlets for a freezer or a fridge. Once renovations are complete the basement permit will be completed. A new living room window has been ordered and waiting to be installed as well. Outside, you will enjoy the nice yard and patio, perfect for relaxing or entertaining, making this home truly move in ready.
