Welcome to 3219 Olson Street in Donalda, AB – a spacious two-storey family home set on a 0.32-acre lot, perfectly positioned with no neighbors to the west and open views of rolling farmland. With its generous square footage, oversized yard, and community-minded location, this home was designed with family living in mind. Step inside and you’ll find a layout that balances both function and comfort. At the heart of the home is the updated kitchen – fully redone approx 10yrs ago and complemented by stainless steel appliances, 2 pantry's and more recent fixture updates.
