The thoughtfully designed home offers over 1500 sq ft. plus an unfinished basement with 9-foot ceilings, ready for your ideas. Large windows and soaring ceilings on the main floor allow natural light to flow into the open-concept living space. The chef-inspired kitchen offers sleek cabinetry and stone countertops and is well-equipped with stainless steel appliances. The kitchen is tucked away, yet still feels open and inviting, allowing for ample room for activities in the open-concept dining and living room space. Two additional bedrooms, a full bathroom, a flex room, a 4-piece bathroom, and laundry facilities complete the upper level. Enjoy spending time on your upper rooftop patio, situated above the garage, which is an excellent space for entertaining. Bayview is a beautiful community with parks, benches and pathways that meander throughout the community and along the canals. Kids and adults alike will enjoy the outdoor basketball

nets, gym, amphitheatre, and tennis courts, which will convert into a skating rink in the winter. Come and see for yourself all the amenities the community has to offer! Area size was calculated by applying the RMS to the blueprints provided by the builder. Taxes to be assessed.
