Residential on 0.19 Acres

Willow Park, Calgary, Alberta

There's a reason Willow Park is one of Calgary's most beloved communities – tree-lined streets, established schools, incredible amenities, and the warmth of a neighbourhood where people put down roots. Now, a rare opportunity has come along: a nearly 1,500 sq. ft. bungalow on a 75+ ft. wide lot, ready for its next chapter. Step inside and you'll immediately notice the pristine narrow-slat oak hardwood floors, a timeless feature that runs throughout the home. Two fireplaces invite cozy evenings with family, while large windows and a south-facing backyard ensure natural light fills your living spaces. Though the home has been lovingly maintained in its original condition, it offers endless potential – whether you're ready to renovate, reimagine, or simply enjoy it as-is. The unfinished basement is a blank canvas, ready for a recreation room, guest suite, or home workshop. Outside, the double detached garage and paved back lane add practicality, while the wide lot provides space to dream big – garden, entertain, or expand. Here, you're steps from everything: Southcentre Mall, Trico Centre, Willow Park Golf & Country Club, and all the shops, restaurants, and services that make this area so special. For families, schools are just around the corner; for lifestyle seekers, golf, recreation, and community events are part of everyday living. This isn't just a bungalow. It's an opportunity to create the home and lifestyle you've been waiting for in a

community that has it all. For Interior video,
