Residential on 48.00 Acres

NONE, Rural Foothills County, Alberta

A rare opportunity to own a fully developed equestrian property with breathtaking mountain views. This 48-acre farm is set up for both serious riders and those seeking a true country lifestyle. Facilities include a 72' x 160' heated indoor riding arena with laser-leveled sand footing, LED lighting, sound system, and built-in tack lockers, as well as an outdoor arena, round pen, and multiple paddocks. The 12-stall barn was rebuilt and updated with puck board stalls, each wired for heated buckets, and the hay shed provides storage for approximately 150 round bales. A 20-acre turnout pasture with pond, plus grassy areas and gardens, completes this outstanding setup.

The home is a four-level split that has undergone significant renovations inside and out. The kitchen features quartz countertops, alder cabinetry, and gas appliances, while the living spaces include a warm family room with wood accents, a summer kitchen, and a bright office with mountain views. Upgrades include new windows, doors, shingles, insulation, and hardy board siding, along with a large sunny deck and outdoor gas fireplace. A heated shop with third parking bay and a double garage add even more function to the property.

This is a turnkey equestrian farm that combines modern amenities, thoughtful

renovations, and stunning views into one complete package.
