Yorkville, Calgary, Alberta

As part of Mattamy’s WideLot™ collection, the Fullerton was uniquely designed to reimagine livability, with shorter hallways and brighter windows. The open-concept main floor seamlessly flows together, with a functional kitchen and an oversized island that becomes the heart and hub of your home life. Tucked away are the powder room, pantry and a mudroom that provides access to your garage. Escape into the upper floor loft for relaxation. Your ultra quiet primary bedroom is nicely separated from the other 2 bedrooms, main bath and laundry. It features a walk-in closet and ensuite. A separate side entrance and 9' foundation has been added to your benefit for any potential future basement development plans. Mattamy includes 8 solar panels on all homes as a standard inclusion! This New Construction home is estimated to be completed December 2025. *Photos & virtual tour are representative.
