MLS® #A2263594

\$899,000

2 Bedroom, 2.00 Bathroom, 1,473 sqft

Residential on 79.79 Acres

NONE, Rural Mountain View County, Alberta

80 acres on pavement, full of trees and has pasture for the cows or horses. Very secluded yard with lots of lawn and your own private fish pond just outside your back door. The owner has told me that they have had fish in there in the past but currently not stocked. The house has several features including large kitchen/dining area, gas fireplace, a large primary ensuite, main floor laundry, walk-out basement, attached double garage. This property has had a lot of trees planted here in the past. The front portion of the property has been deer fenced to keep them out of the trees. The back portion has been leased to a neighbor for grazing their cows. This year it was left empty. If you are wanting the bigger acreage then don't wait to book your showing with your realtor.

Built in 1989
