Welcome to The Amber, a beautifully designed home that blends luxury and function. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. Featuring a full package of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches, all seamlessly controlled via an Amazon Alexa touchscreen hub. The executive kitchen features built-in stainless steel appliances, a gas cooktop, fridge with water and ice dispenser, and a quartz waterfall island. A separate spice kitchen with a gas range and pantry adds extra convenience. The main floor includes a bedroom and full bathroom, ideal for guests or extended family. The open-to-above great room showcases a stunning gas fireplace with floor-to-ceiling tile and a stylish mantle, while the rear deck offers a great outdoor escape. The basement includes 9' ceilings and a separate side entrance, allowing for future development potential. The primary ensuite offers a walk-in tiled shower, soaker tub, and dual sinks. With quartz countertops, luxury vinyl plank flooring on the main level, tile in wet areas, and added windows throughout, The Amber is a true standout. Estimated

completion is February-May, 2026. Photos are representative.
