Renfrew, Calgary, Alberta

Location, location â€” welcome to red-hot Renfrew!

This exceptionally maintained, character-rich home is in truly mint condition and showcases quality craftsmanship throughout. Countless possibilities await, whether you're looking for a grandma home primary residence, multi-generational living, or an excellent investment.

No expense was spared during the renovations: full wrap acrylic stucco with added Styrofoam insulation, complemented by beautiful Manitoba Tyndlestone accents. Inside, youâ€™ll find stunning hardwood floors, oak kitchen cabinetry, granite countertops, vinyl windows, and elegant crown mouldings. Enjoy your morning coffee in the bright and inviting sunroom.

The well-designed main floor was originally a three-bedroom layout and has been thoughtfully converted to two spacious bedrooms for improved flow and openness. The bright, roomy two-bedroom (illegal) basement suite features large windows that fill the space with natural lightâ€”perfect for family members or tenants. The suite includes its own hot water heating system and a cozy gas fireplace.

Step out to a practical and productive backyard garden, ideal for growing your own vegetables.

All of this, in a location surrounded by an abundance of amenitiesâ€”shops, parks,

schools, and easy access to downtown.
